Pet Policy/Non-Golf Use of Golf Course:

Only Annual SMGC Members: Golf or Community are permitted to walk (with or without) their pet(s) on the golf course – (One hour prior to course opening for play and one hour prior to sunset). Pets must remain under owners' control at all times. Community Members may use their personal golf cart, with a paid Trail Fee during these specified times. A Community Member cart sticker must be obtained from the General Manager.

Companion animals are allowed on the course during normal play - if they are riding in an Annual Golf Member's Personal Golf Cart, on a lease, not disturbing other pets, other players, or our neighbors adjacent to the golf course. In all cases, the Member must carry and use appropriate containers to pick up after their pet. Pets may only be brought on the patio or in the office if they remain on a lease and are not bothering another Patron. Any complaint against your pet may trigger Club Management to ask that the pet be removed, or in some instances suspended.

Non-members – whether they live adjacent to the course, or elsewhere, may NOT walk on the golf course – either with or without pets, at any time. Such individuals will be deemed to be Trespassing on Private Property. Please report any such Trespassers to Club Management, as soon as possible.
